2024-2025 STUDENT Income Verification Form for Non-tax Filers

Your 2024-2025 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.
